Subject: CLOSE HOLD Some info---try to read before meeting with OPP on EtO today :) - OPP-ORD MOU - PLEASE DO NOT FORWARD
Attachments: oordmou.docx

Hi all:

Sorry for this long email, but I am going on vacation on Friday and didn't have time to set up a call.

And I wanted to get this info to you now.

Jackie McQueen and I have been working with OPP on the MOU to get a draft together that "passes the laugh test" as Bob K. put it, to then get in front of ORD managers for their thoughts.

I added Sam, Norm and Ted to this email.

I would prefer to keep this to a small group right now.

As you know, Tina has already seen the drafty MOU.

I also cced Jackie here...as we are partners in crime on this one!

The ORD IOAA and OCSPP IOAA would like for this to get worked out asap.

This is a copy of OPP's first draft cut of an OPP-ORD MOU. I know that Tina has this so it seems fair that you do too. Please please don't forward it around. I believe Jim Jones directed them to pull this together and work with ORD. OSP is working with OPP on editing before it gets circulated in ORD. So not everyone has it. I have lots and lots of comments and questions. We are meeting with OPP next week to discuss it. Please feel free to send me any comments that you want. I am going to bet that my comments will be the same as yours on this one though ☺. It is NCEA-centric.
